

# Our Discover platform with FLEX revolutionizes the hearing care experience

## Fit

### WOW from the get go

- A rich, natural first fit sound that new wearers will love
- A fast and intuitive 5-click workflow in Unitron TrueFit™ v4.0

#### ✔ FLEX™ FOR SUCCESS

Our new first fit strategy paired with [FLEX:TRIAL™](#) lets you quickly and easily send patients out for a real-world assessment, and an outstanding start to their hearing care journey.

## Love

### Ignite every conversation

- No one classifies sound better than Unitron\*
- Intelligent SoundCore™ technology with proven SpeechPro for outstanding speech in noise performance

#### ✔ FLEX FOR SUCCESS

Precise classification means that [Log It All](#) provides an accurate and complete picture of where your patient spends time, enabling an evidence-based technology recommendation.

## Go

### Chat, charge and repeat

- Phone calls and media to both ears, from any phone
- Our first lithium-ion rechargeable in a stylish RIC design

#### ✔ FLEX FOR SUCCESS

Take proactive counseling to a whole new level with unprecedented [Insights](#) into your patient's needs so that you can give them a truly personalized experience.

## New product and software training opportunities

**Online, starting May 13, 2019** – AudiologyOnline CEU trainings are available. Training is also available on the new myLearning training portal, part of myUnitron.com's one-stop online account shop. Call 800.888.8882 today to get activated for myLearning!

**Events** – Visit [unitron.com/ustraining](http://unitron.com/ustraining) to find an event near you.

**For more information contact your Unitron Account Representative at 800.888.8882**

Moxi.Fit

Designed to be discreet with a 312 battery.

Moxi.Jump R

Our first lithium-ion rechargeable RIC.

**Phone and media streaming to both ears.**
